4. The Committee undertook an exhaustive reading of the bill. The Secretary Ministry of Narcotics control briefed the Committee that the Capital Punishment was abolished, as it is a condition for retaining GSP-Plus status demanded by the European Union. Joint Director, Anti-Narcotics Force briefed the Committee that the existing law did not quantify the amount of drugs and subsequent punishment. This lack of categorization of drugs and their respective punishment, often results in court using its prerogative while deciding the cases. Accordingly, in the proposed bill the offences has been categorized and the quantity of substance subjected to punishment has been reduced. It will result in better application of law by the Judiciary and the prosecution.

5. Chairman and the members of the Committee acknowledged the revision and categorization of drugs. However, the members were in unison against abolishment of Capital Punishment under section 9 of the amended bill. The Committee was unanimous that capital punishment against trafficking and possession of a certain amount of Cocaine, Heroin, and methamphetamine should be reincorporated in the amended bill.

6. After detailed deliberations, the Committee approved the following amendments to 'The Control of Narcotic Substances (Second Amendment) Bill 2020':

STATEMENT OF OBJECTS AND REASONS

The case relates to the proposed amendments in Control of Narcotics Substance (CNS) Act 1997. It is stated that Control of Narcotics Substance (CNS), Act, 1997, completely covers the offences relating to Narcotics Drugs, Psychotropic Substances and Controlled Substances. The illegal possession, manufacturing, sale, purchase, distribution etc. of Narcotics Drug, Psychotropic Substances and Controlled substances is an offence under Section 5 of CNS Act, 1997 and punishable under Section 9 of CNS Act, 1997. The financing of the trafficking of Narcotics Drugs, Psychotropic Substances and Controlled Substances is an offence under Section 8 of CNS Act, 1997 and punishable under Section 9 of CNS Act, 1997. The Peshawar High Court directed the Federal Government to make strict legislation to curb the use and sale of "methamphetamine", popularly known as "ice" and "crystal meth", since this dangerous drug is destroying our young generation. It is also mentioned that the proposed amendments in CNS Act, 1997 cover adequate and reasonable punishment for illicit trafficking of "methamphetamine", a psychotropic substance. Moreover, the punishment for all other illicit drugs has also been reviewed, keeping in view the substance and quantity of drugs. In addition to this, the punishment for sale of drugs in educational setting has also been enhanced.
